COST TO ATTEND?

- ♦ In-person registration: \$179

- ♦ Virtual Church: \$199
- ♦ Virtual Attendee (non-primary registrant): Free or \$29
 - How this works: To attend the Summit online, you'll need to be connected with a Virtual Host (either a household host or a church host). Hosts are the ones who register and receive the livestream link, and they share the viewing time and location with the people they invite. You cannot attend virtually on your own—you must either be connected with a host or register as a Virtual Household yourself. Free registration includes a digital workbook. Upgrade to \$29 and get unlimited on-demand replays of all sessions until December 31, 2025, a 15% discount, code, and access to three bonus Summit sessions.
